TERMS GOVERNING THIS SALE

BIDDERS unknown to me will please furnish bank or other references or deposit 25% with their bids, and it is agreed that remittance will be made upon receipt of coins.

Every coin in this sale is guaranteed as genuine. Do not return any coins without first taking it up with this office. There will be no charge for executing your bids but the purchasers will be required to pay the postage on their purchases.

I shall welcome your bids and shall try to purchase the coins as much below your bid as possible. Where a lot has more than one coin in it, PLEASE BID ON SO MUCH PER PIECE UNLESS SOLD BY THE LOT.

If you are interested in any particular coin, I shall be glad to have you write me for full information.

If you are not interested in these sales, won't you advise me so I may discontinue sending you catalogues.

The coins will be on display the day of the sale, up to 10:30 o'clock, at my office, 821 Guardian Building and can be seen any day prior to sale.

INSTRUCTIONS TO BIDDERS

Do not make ridiculous bids, for example: do not bid \$1.10 on proof dollars or .55 on proof halves. Bids such as these are not entered and are consigned to the waste basket. Be sure and bid on the lot numbers, which you wish to purchase. It is not the cataloguer's fault if you intend to bid on one lot and fill out your bid sheet for another one. You will be asked to purchase according to your bid sheet.

You will want a Price List of this Sale to know what the Rare Coins are Selling for.

Price List 50c, CASH IN ADVANCE.

CONSIGNMENT FROM SHANGHAI CHINA

This lot of Chinese coins is of special interest in view of the fact that silver coins of all denominations are no longer struck in China.

It is now illegal (by proclamation) to even possess silver coins and those still in existence are being seized and melted down, either by the Chinese government itself or by the Japanese army.
